Request for Extension on Assignment Submission

Dear Professor,
I hope you are doing well. I am writing this letter to you with a great deal of respect and seeking your permission for a brief extension of the deadline for the submission of my assignment. I have been facing some unforeseen circumstances for the past few days, and this has not allowed me to deliver my best for the assignment.
I have a great regard for this particular course and the efforts you put into teaching us. I want to deliver my best for this assignment, but not something mediocre. I have been actively involved in doing my assignment, and I have made a great deal of progress. I would greatly appreciate a brief extension for the completion of my assignment.
I would like to apologize for any inconvenience this might cause you. I want you to be assured that I am committed to doing my best for this particular course. I would greatly appreciate a brief extension.
Thank you very much for your understanding.
Yours sincerely,
Swapnil Basu,

The screenshot displays the Gmail web interface. On the left, the navigation sidebar includes icons for Mail, Chat, and Meet, along with a list of folders: Inbox, Starred, Snoozed, Sent, Drafts (highlighted with a blue bar and a '2' badge), Categories, and More. Below these is a 'Labels' section with a plus icon. The main area at the top features a 'Compose' button and filters for 'Any time', 'Has attachment', and 'To'. A list of draft emails is visible, including 'Application for Summer Internship Opportunity' and 'Request for Extension on Assignment Sub'. The 'Application for Summer Internship Opportunity' draft is selected, and its content is shown in the main body. The email text is as follows: 'Dear Internship Coordinator, I hope you are in great health. This letter is to express my keen interest in the internship opportunity available in your company. Currently, I am a first-year student in college. I am keenly interested in acquiring an internship opportunity in your company, especially in the summer. This is to broaden my experience and improve my skills in a working environment. I have been actively acquiring knowledge in computer programming and problem-solving. This is the area in which I am keenly interested in applying my acquired knowledge. Working in your company as an intern will be very beneficial to me, as it will be an opportunity to gain experience and learn from experienced professionals in the industry. I am a fast learner, dedicated, and highly motivated to learn and expand my personal and professional horizons. Therefore, I would be grateful to be considered for any available internship positions in the company in the summer. Thank you for your time and consideration. I look forward to hearing from you. Please find attached my resume for your consideration. Yours sincerely, Swapnil Basu, 25BH110098'. On the right, a 'Draft saved' notification is present. At the bottom, a 'Send' button and a toolbar with various icons (text, link, image, etc.) are visible.
